

Global and National Security Electives
BISI concentration in Global and National Security
(As of November 2021)

All courses titled as "Topics", "Seminar", "Studies", or "Problems" need individual approval by BISI advisor prior to enrollment to count towards the degree requirements. (Courses marked with * need prior approval.) Other courses not listed below may be pre-approved by the BISI advisor and **students are also encouraged to suggest additional courses to substitute**. In either case, students should present to the advisor a description of the course indicating topics including issues relating to global and national security.

Please note that no more than 9 credit hours from any one area is allowable.
